Dear Sirs

DC/25/0320

Thank you for your letter dated 6th March as to the change of use of an agricultural building to 6 dwellinghouses. This does not show either any garden area or car parking spaces. I assume this is a follow up to the application for 4/5 houses.

We object to the change of use for the following reasons : -

1. The number of dwellings applied for is excessive for the location.
2. The access road from the Wheatsheaf Road is very narrow to cope with the extra traffic.
3. The plan shows a study instead of an additional bedroom when the number of bedrooms deemed acceptable is exceeded by a different description.

Yours faithfully

Richard & Margaret Judd
