Address:	6 Sandeman Way Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	This extension is exactly opposite our bedroom, but Horsham Council had not informed us of this application and we just heard from a neighbour. WHY? We are more affected and nearest to this extension than anyone else in this road, and yet we were not informed!! These new windows are directly looking into our bedroom and the sitting room. Also, I hope the Council is realising that the purpose of this extension is to expand the business of this Care-home. Are

they providing space for extra parking for the visitors? We already have to put up with a number of cars from nearby roads, parking in front of our houses. Often when our friends and family visit us, there are no available space to park nearby. Now we shall have this added problem.
I know that our other neighbours are concerned and unhappy too, but we will be most affected and yet we were not informed. Why?

Kind regards
