Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Infrastructure: already undercapacity with oversubscribed schools and over burdened road network. Safety for families and children in question with lack of cycling and footpaths solutions Environment: proximity to High Weald Natural Landscape doesn't make it a suitable location. Have existing abandoned or unused industrial parks been considered for conversion? This would cover the space required for additional housing and avoid destroying

further natural landscape. Repurposing would also reduce land pollution from decaying buildings.

Kind regards
