Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	I am concerned about the impact on the environment. I am conscious of the need for houses but I am also aware that there are many abandoned buildings that could be repurposed or emptying villages that would benefit new commers. Overdevelopment is a real issue and Horsham will lose its appeal. Finally, schools do not currently have the capacity nor the equipment to welcome 180 families.

Kind regards
