Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The resources in Horsham and surrounding areas are stretched to capacity. Without significant additional funding for infrastructure, eg schools, gp surgeries, hospital, roads, further development in unsustainable. There are already significant flooding issues between Horsham and Crawley. Building further on much needed land that acts as a soakaway is very short sighted

Kind regards
