Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We do not need thos development there is not enough doctors or dentists in Horsham already. The traffic on the roundabout were this would exit is backed up enough already its dangerous to add to that. The wildlife in the field will have nowhere to go. I live at the bottom of sycamore avenue and we do not need more traffic on

our road whether there the larches is made an entrance or not.
Safety, noise and traffic are not being considered its an additional
housing development given there are more enough housing
developments in and around the Horsham District already why do
we need more?

Kind regards
