Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Poor access to development from the Crawley Road, given its close proximity to the Old Crawley Road junction and Earles Meadow. Given the existing difficulty in exiting Earles Meadow especially in the rush hour, with traffic queuing back waiting to join the Moorhead roundabout feel it's only a matter of time before there is a serious accident with out additional traffic from the proposed development.

Kind regards
