Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	My objects are based on: Increased traffic on the surrounding roads School availability - Heron way is already oversubscribed There are no amenities close by - dr, shops. People will drive to those services. Loss of open space and land Too close to existing housing - it will negatively impact their views and peace

Kind regards
