Comments Details

Commenter Type:	Member of the Public
-----------------	----------------------

Stance:	Customer objects to the Planning Application
---------	--

Reasons for comment:	- Other
----------------------	---------

Comments:	There is already far too much dog excrement being left in this area, on the public footpath and in the surrounding area. There are no facilities provided in the immediate area for disposal of the dog waste. Any further additional dog walking will potentially lead to an increase in this offensive and anti social behaviour.
-----------	---

Kind regards
