This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC in its role as Local Highway Authority (LHA) has been reconsulted by the Local Planning Authority (LPA). The LHA previously provided comment on this application, dated 17/06/2025, raising no highway safety or capacity concerns.

It would appear that no new highways relevant information has been submitted since the LHAs previous consultation response – as such, no further comment would be warranted at this time. The LPA are advised to refer to the LHAs consultation response dated 17/06/2025, as the comments contained within would still be valid.
