DC/22/0083: BROWNS FARM, HENFIELD

STORAGE OF REFUSE AND RECYCLING

April 2024

1 This Short Statement is to accompany Plan **KCC2985/11** which has been provided to show the storage of refuse and recycling at the Site. This has been prepared for the Discharge of Condition 6 under application **DC/22/0083** at Browns Farm, Henfield.

2 The plan is required to contain details of the storage of refuse and recycling at the Site and the facilities shall thereafter be provided in accordance with the agreed details and be retained as such thereafter.

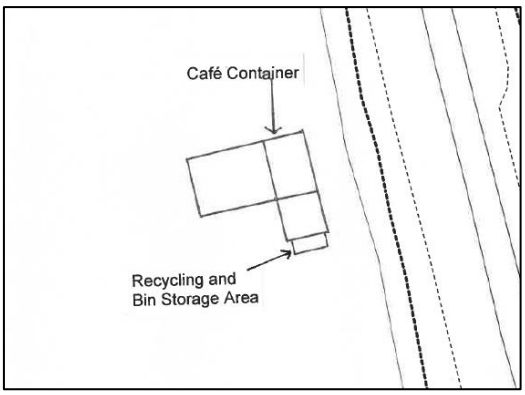

3 The Site already has a designated location for the storage of refuse and recycling. This is located to the south of the café container.

4 These can be seen in the image below and insert from Plan **KCC2985/11**.

*Directors - **Tony Kernon** BSc(Hons), MRAC, MRICS, FBIAC **Sarah Kernon***
*Consultants – **Ellie Chew** BSc(Hons), **Amy Curtis** BSc(Hons)*

6 The storage and collection point can be seen shown in the photograph below.

Photograph 2. Existing Storage and Collection Point

7 For reference the locations of each of these points can be seen annotated on the below Google Earth image.

Insert 2. Location of bin storage and collection.

8 Therefore, we trust that this satisfies the requirements of Condition 6 under application **DC/22/0083** and this condition can now be discharged.
