Address:	Shottermill Horsham

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	(Supplementary Comments in the light of the Sport England response posted 25 November 2024) The comments by Sport England (SE) do not distinguish between Field one (right hand) and Field 2 (left hand). Step 5 senior league football is only played on Field one so the comments by SE are

irrelevant to field two and this should be acknowledged by the Council in considering the application.

The Planning Statement by 'WPS Consultants' (paragraph 6.8) states that the netts (sic) will be "approx 5m in width, held up by three metal poles". If the Council grants permission for either field, it should be a condition that the width of the nets does not exceed 5m as this is the most consequential detail within the application.

Kind regards
