Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	As neighbours, we wish to ensure that the windows in the original stable block and proposed new building do not overlook our property. We are not currently over-looked by Southwater House (nor any other property), and wish that this situation continues. The conversion of stable block would mean that the windows from the upper storey will directly overlook our bedroom once the garden store is demolished, as the proposed new boundary

feature (wall) will not be as high.
This must be taken into account.

Kind regards
