Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I object to this, it is not in keeping with the village. The village can not cope as our amenities are already overrun, the local infrastructure can not cope. There is a huge safety risk as the roads are small and already overcrowded. Local schools can not cope. I do not see any need or want for these houses in my village

it is a huge safety concern and the effect it will have on our local wildlife is irreversible.

Kind regards
