Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This goes against our neighbourhood plan. Infrastructure is not there- small shop, take away and car park. No medical facilities to support influx of people. Roads too small and narrow. School is one form entry per year so too small. Ashington has already lost so much of our Greenland. Building should only be done on brownfield sites of which we have one being done already. No train station. Not supported by a full bus service. Bringing too many cars to our village.

Dangerous to have so many people with poor roads and poor access. Using rectory lane and church lane only makes it hard for emergency services.

Kind regards
