Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Access to the site and houses is via Church Lane which is currently narrow and often congested with school and football traffic from the playing fields. The development will also put additional pressure on the resources of the village, re parking and the local shop. This plan is also not in line with new 2023 central governments planning reforms. This plan is not inline with the horsham district councils Local plan key aims.

Kind regards
