Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise - Trees and Landscaping
Comments:	Ashington is a small village can not support more cars and housing we do not have the general amenities to support 180 more homes. Also the traffic down church lane and around the school during building would be dangerous on the roads and footpaths, with church lane often having cars parked on both sides of the road. This would not be any better after building due to the increased number of car coming from the new homes.

Kind regards
