Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The access to this site will not be sufficient to sustain the 180 dwellings. Church Lane is already chaotic during the school run times without the additional c. 1,000 vehicles that would be added as a result of the development. The design of the development past the access point however appears to meet the need for additional housing in the village.

Kind regards
