Horsham District Council

Mr Christopher Peters
CP Planning
Rainford
230 Smallfield Road
Horley
RH6 9LT

Application Number: DC/24/1811

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY (Development Management Procedure) (England) Order 2015

On behalf of: Mr Len Burdon

In pursuance of their powers under the above-mentioned Act and Order the Council hereby notify you that they PERMIT the following development, that is to say:

Outline application for the erection of dwellings with associated garages, parking and landscaping with all matters reserved.

Bucks Green Pig Farm Bucks Green Rudgwick West Sussex

to be carried out in accordance with Application No. DC/24/1811 submitted to the Council on 21/11/2024 and subject to compliance with the plans/documents and conditions specified hereunder.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Emma Parkes
Head of Development and Building Control

Date: 18/06/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

Schedule of plans/documents

Plan Type	Description	Drawing Number	Received Date
Supporting Docs	Noise Assessment	VA5624.241031. NIA	21.11.2024
Location plan		NONE	21.11.2024
Supporting Docs	Planning Statement	NONE	21.11.2024
Supporting Docs	Supporting Letter	NONE	21.11.2024
Tree plan		TPF/BGR/13/010 REV 1	21.11.2024
Supporting Docs	Tree Report	NONE REV 1	21.11.2024
Supporting Docs	Preliminary Ecological Appraisal and Preliminary Roost Assessment	NONE	21.11.2024
Site plan		002 REV A	21.11.2024

Reason: For the avoidance of doubt and in the interest of proper planning.

2 Outline Permission

(a) Approval of the details of the layout of the development, the scale of each building, the appearance of each building, access to and within the site and the landscaping of the development (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before any development is commenced.

(b) Plans and particulars of the reserved matters referred to in condition (a) above, relating to the layout of the development, the scale of each building, the appearance of each building, access to and within the site and the landscaping of the development, including tree retention measures, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.

(c) Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of 3 years from the date of this permission.

(d) The development hereby permitted shall be begun either before the expiration of 3 years from the date of this permission, or before the expiration of 2 years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

Reason: To enable the Local Planning Authority to control the development in detail and to comply with Section 92 of the Town and Country Planning Act 1990.

3 **Pre-Commencement Condition**: No development shall take place until the following construction site set-up details have been submitted to, and approved in writing by, the Local Planning Authority.

i. the location for the loading and unloading of plant and materials, site offices, and storage of plant and materials (including any stripped topsoil)

ii. the provision of wheel washing facilities (if necessary) and dust suppression facilities

The approved details shall be adhered to throughout the construction period.

Reason: As this matter is fundamental in order to consider the potential impacts on the amenity of nearby occupiers during construction and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

4 **Pre-Commencement Condition**: No development shall commence until a drainage strategy detailing the proposed means of foul water disposal has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved scheme.

Reason: As this matter is fundamental to ensure that the development is properly drained and to comply with Policy 38 of the Horsham District Planning Framework (2015).

5 **Pre-Commencement Condition**: No development shall commence until a detailed surface water drainage scheme, including a Surface Water Drainage Statement based on sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the development, has been submitted to and approved in writing by the Local Planning Authority.

The submitted details shall be fully coordinated with the landscape scheme. The development shall subsequently be implemented prior to first occupation in accordance with the approved details and thereafter retained as such.

Reason: As this matter is fundamental to prevent the increased risk of flooding, to improve and protect water quality, improve habitat and amenity, and ensure future maintenance in accordance Policies 35 and 38 of the Horsham District Planning Framework (2015).

6 **Pre-Commencement Condition**: No development shall commence until the following components of a scheme to deal with the risks associated with contamination, (including asbestos contamination), of the site be submitted to and approved, in writing, by the local planning authority:

(a) A preliminary risk assessment which has identified:
- all previous uses
- potential contaminants associated with those uses
- a conceptual model of the site indicating sources, pathways and receptors
- Potentially unacceptable risks arising from contamination at the site.

The following aspects (b) - (d) shall be dependent on the outcome of the above preliminary risk assessment (a) and may not necessarily be required.

(b) An intrusive site investigation scheme, based on (a) to provide information for a detailed risk assessment to the degree and nature of the risk posed by any contamination to all receptors that may be affected, including those off site.

(c) Full details of the remediation measures required and how they are to be undertaken based on the results of the intrusive site investigation (b) and an options appraisal.

(d) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in (c) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action where required.

The scheme shall be implemented as approved. Any changes to these components require the consent of the local planning authority.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans, controlled waters or the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

7 **Pre-Commencement Condition**: No development shall commence until either:

i.) Details have been submitted to and been approved in writing by the Local Planning Authority confirming that the necessary credits to achieve water neutrality have been secured via the Sussex North Offsetting Water Scheme.

or

ii.) A site-specific water neutrality mitigation scheme has been submitted to and been approved in writing by the Local Planning Authority. The site-specific water neutrality mitigation scheme shall include full details of the means of any and all onsite and offsite mitigation and any necessary agreements pursuant to S106 of the Town and Country Planning Act 1990 to deliver and secure the approved mitigation; and

iii.) The development shall not be first occupied until evidence has been submitted to and been approved in writing by the Local Planning Authority confirming that the approved site-specific water neutrality mitigation scheme has been fully implemented. The approved mitigation shall thereafter be retained, maintained and operated to the same or better water performance standard.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SAC/SPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraph 193 of the National Planning Policy Framework (2024), and to enable the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

8 **Regulatory Condition**: No works for the implementation of the development hereby approved shall take place outside of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays nor at any time on Sundays, Bank or public Holidays

Reason: To safeguard the amenities of adjacent occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant
The applicant is strongly encouraged to fully consider the relationship between the application site and the adjoining emerging housing allocation (RD1 - Land North of Guildford Road) with a view to creating a single access point for both sites.

Community Infrastructure Levy (CIL)
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. This development constitutes CIL liable development**.**

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. In the case of outline applications the CIL charge will be calculated at the relevant reserved matters stage.

To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions
The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre-Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance
Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
