TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	1 Normandy Gardens, Horsham
PROPOSAL:	Surgery to 1x Crab Apple and Fell 1x Goat Willow (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0036
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (See main comments)	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: T1 – The Crab Apple tree is a mature size. It will require a crown reduction to the previous pruning cuts, and a crown thin to clear any dead or diseased wood. This will improve air flow and ensure the tree's continued health. T2 – The Goat Willow is a small tree on the boundary wall of the Normandy Centre. It is growing in a small border and is cutting out light to the window at the side of the house. As it is a small tree it is an ideal time to remove the tree before it gets any larger. Therefore, HDNC has no objection to this application.
