Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	Infrastructure in the village does not support further development. New school is planned but not confirmed. No Doctors surgery and only 1 shop in village. Access to site is via a narrow and congested road i.e. Church Lane and Close. No need for additional sports pavilion as the village already has sports ground 3 public use buildings, community hall and flood lite hard surface.

Kind regards
