Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The Parish Council have resolved to support this application. The council have reviewed the application and agree that the disabled access is carefully designed and acceptable to the location. The improved disabled access is long overdue for the building which is heavily used by people local to the area which is a major community asset for the parish.

Kind regards
