Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	Just to clarify my previous comments. We have lived here for over nine years and as we are retired we spend a lot of time at home. We can confidently say that there has been no agricultural use of the barn in recent years, and no traffic along the lane apart from the Southern Water tankers that come to empty the sewage from the treatment tank.

Kind regards
