Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	The pavilion is way past it's lifespan. If it is not updated with a new structure this may force the club to relocate which would be detrimental to the park. Without the club presence being there this risks an increase in antisocial behaviour, petty crime drugs, under age alcohol use and the park being a no go area during the late summer evenings.

Kind regards
