Subject: Your Ref: DC/24/1459; RE: Broomlands Farm Robin Hood Lane Warnham West Sussex RH12 3RR

Categories: Consultations

Dear Planning,

I write further to the above consultation and respond on behalf of HDC Environmental Health & Licensing Commercial Team. The application seeks a change of use of an agricultural barn to commercial use comprising Class B8 (Storage).

The application site is located in the primarily rural area of Warnham, although domestic dwellings are located adjacent to the proposed site, as well as flanking the site's access road.

This Service has No Objection to the application, but refer you to the Conditions recommended by my colleague Mr Lee Money (PEHO) in his comments dated 17th July 2024 in consultation to previously Refused DC/24/0381; We continue to recommend that these are applied, should the current application be permitted.

If there is anything in this email that you do not understand, or if you have any other questions or queries, please do not hesitate to contact this Service or myself directly.

Kind regards.

John Griffiths
Area Environmental Health Officer
