Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	My primary concern is with regard to the measurements on the plans at the entrance to the proposed site and at the entrance to Henfield Bowling Club. The width indicated does not match up with the actual measurements. The developers' plans make the access entrance appear to be larger than it is in reality. If approved in its current form, this is likely to lead to problems for the bowling club and local residents.

Kind regards
