Subject: [REDACTED] Re Fran Cottage RH20 3EP. Trees that may need pruning on left hand bank of Bramble Lane

[REDACTED]
I hope you received the other photos I sent you via the above email address concerning the Bay tree I wish to have removed from the back right side corner of my garden next to my back gate. The back gate opens onto steps down a bank into Bramble Lane. The bank between my gate and parking area has several trees on it that need pruning in case the branches get in the way of vehicles. Please can you advise me on this
Many thanks
Petronella Taylor
