Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The Parish Council are in favour of the completion of the upgrades that will allow the Oakleigh Surgery to operate once more. However, they would like to see that the roof lights do not allow views into the windows of surrounding properties. The Council feel that officers should request that drawings showing the angles and sight lines to neighbouring properties are provided, or that obscured glass be used.

Kind regards
