Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	All of the above. It's a beautiful piece of land for nature, dog walkers, children to play and ride their bikes without worrying about cars. It's rare to find this kind of space.

The roads and services are already too busy and over populated. The developers are ruining a beautiful space for financial gain of themselves only, the development will have no other impact on them personally. It was rejected a few years ago for the same reason, so stop allowing rich people to try and build there. You are also likely to fill the properties with a group of people who do not care about the land and will make it unsafe.

Kind regards
