Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment
Comments:	I feel building on this land would be a huge loss to the habitats of the wildlife that inhabit the area. There has already been a huge loss with the new developments of Mowbray village (not finished yet) and kilnwood vale (also not completed yet) that aren't too far away from the proposed site. This area of town also gets hugely congested at busy times of day

and this will only add to it. Also the added pressure on doctors surgery's, hospitals (to which we don't have a local one but keep having more houses built) and school places are getting increasingly difficult to get your child into your local or first choices.

Kind regards
