RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: See below	
MAIN COMMENTS: St Marys Church is situated in a raised position from Church Street at its junction with School Lane. The church is listed grade 2* and is therefore of more than special interest. The proposed freestanding noticeboard due to its location would not result in harm to an appreciation of the church or its setting. The fixed noticeboard would however have a more explicit impact on the listed building. It is noted that part of the north porch forms a more modern addition to the church. It would therefore be considered that the addition of the noticeboard on the modern fabric would not result in such harm to the listed building as to warrant an objection in this instance.
