Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	The access to this development is exactly opposite to our village amenities ie the village shop and the public house. This road is already busy and at times is difficult to negotiate meaning that traffic already diverts through the existing housing estate. The

roads leading to the village are already very busy and they are essentially country lanes and will no way cope with this extra traffic flow

Kind regards
