Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	This would be detrimental to the village atmosphere. Parking and traffic would be even worse than it is at the moment and this

would cause for concern on safety. It would also cause a massive strain on infrastructure, which are already struggling. For the pub and village shop, this plan would be detrimental. The grass area is also beautiful along with the hedgerow and taking this away for Housing is unnecessary and would not be in keeping with natural rural feel.

Kind regards
