Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Building of the site will take away the heart of village , will greatly effect Pub & Shop

it was deemed undevelopable before
The extra volume in traffic is a big concern the junction at the end
of the Hordens is very busy particularly when school bus drops off
Increase in flood risk
Inadequate services already will only buses on one day a week,
which would mean more traffic & emissions & burden on highways
Taking the Hedge away to gain access will have a big impact to
wildlife

Kind regards
