Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is going to ruin lots of businesses around the village I.e the pub and the shop due to the countryside views being spoilt. The

aura of the village is down to its safety and open greenery which makes us a community rather than a place to live. The village already struggles with flooding and with more houses being built where planned will only make it worse, meaning that the shop which is the worst affected will probably end up closing because they will have no shop. Please reconsider.

Kind regards
