Address: 2 Bramble Close Barns Green Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development will dramatically change the dynamic of the village in a negative way. The proposed location will have a huge impact on both access through the village, which is already restrictive, will increase traffic through the village substantially (which is already up given the growth of Sumners Pond, plus the property development being undertaken on that site), as well as

impacting both the village shop and the pub which are huge parts of the community.
This is a poorly conceived and unwanted development which I think most people in the village oppose.

Kind regards
