Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Village will be over developed, will not be able to accommodate more excessive traffic. Services will not be able to maintain more properties as already

struggling with existing and new development at Sumners Ponds.
Hedgeline to development should not be tampered with.
Barns Green is a village and does not need or want more
buildings taking away from the village feel.

Kind regards
