Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Trees and Landscaping
Comments:	Having attended the parish council meeting to listen to the various viewpoints; either for, or against this development, I would like to add my objection to this development myself.

The primary reason for my objecting (other than those noted above) is flooding and the results thereof. Should this site be developed and the drainage opened up to provide "daylighting" of the watercourse, the current infrastructure would most definitely not be able to cope with the increase in sewage production, nor with the rainwater runoff that would occur after every shower. This excess of sewage and runoff would cause our current sewage system to

Kind regards
