Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The road for access to these proposed properties is opposite the village shop and pub, this road is sometimes so busy Vehicles have to drive through the Hordens to get through the village , this is already blocked by parked cars, the routes into the village are already in very bad condition and at times traffic is very heavy. I

fear if this plan goes ahead the access and parking will overload the village infrastructure.

Kind regards
