SITE ADDRESS:	St Mary's Church Cemetery, Denne Rd, Horsham
PROPOSAL:	Surgery to 9x and Fell 12x various trees. (Works to Trees in a Conservation Area).
REFERENCE:	CA/24/0004
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: This application is for an interesting collection of specimen trees in the Cemetery. All the trees require surgery, along with some removal of the dead wood within the cemetery grounds. The boundary wall has some overhanging growth which can be trimmed back so it will not encroach on the surrounding properties and potentially affect the public using the footpath on the Denne Road side of the Cemetery. On completion of the work the site should be left in a tidy state with all debris cleared from the area. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: As above
