

The floor plan shows a symmetrical four-bedroom apartment. A central hallway provides access to all rooms. On the left side, there is a staircase, a storage room (St.), and three bedrooms (Bed 1, Bed 2, Bed 3). On the right side, there is a staircase, a storage room (St.), and three bedrooms (Bed 1, Bed 2, Bed 3). The central area contains two identical bathrooms (Bath), each with a bathtub, toilet, and sink. The plan also includes several closets and wardrobes, indicated by small icons.

Architectural elevation drawing of a two-story house. The drawing shows a front facade with a gabled roof. The house features a central entrance door and two side doors, each with a small gabled porch. There are four windows on the second floor and four on the first floor. A vertical dimension line on the left indicates a total height of 8038 and a lower section height of 4830.

This is a line drawing of a house. It has a gabled roof with a small decorative finial at the peak. The front wall is mostly blank except for a single, narrow, vertical window with a small decorative element above it. On the left side of the house, there is a chimney structure. A horizontal line, possibly a porch or a path, extends from the base of the chimney towards the center of the house. The entire drawing is composed of simple black lines on a white background.

This architectural elevation drawing shows a symmetrical two-story house. The roof is a gable with horizontal siding. The second floor features four small, square, multi-paned windows. The first floor has two large double doors with transoms, each flanked by a small, narrow vertical window. The entire facade is finished with horizontal siding.
