Subject: Fwd: Planning Application Consultation - DC/25/2040
Categories: Consultations

Good Morning

At their meeting last week, members of Horsham Trafalgar Neighbourhood Council, discussed the planning applications and whilst they had no objection to DC/25/2040, they are very mindful that parking in that area is getting very congested and they are currently looking at what can be done to stop cars parking on the corner of Redford Avenue and Saxon Crescent. They would hate for this application to add to the concerns about parking that are already apparent.

Members wished to enquire if a condition of this application, could be for double yellow lines to be painted around the junction of Saxon Crescent and Redford Avenue/

Kind regards
