

1 North Elevation
Proposed 1:100

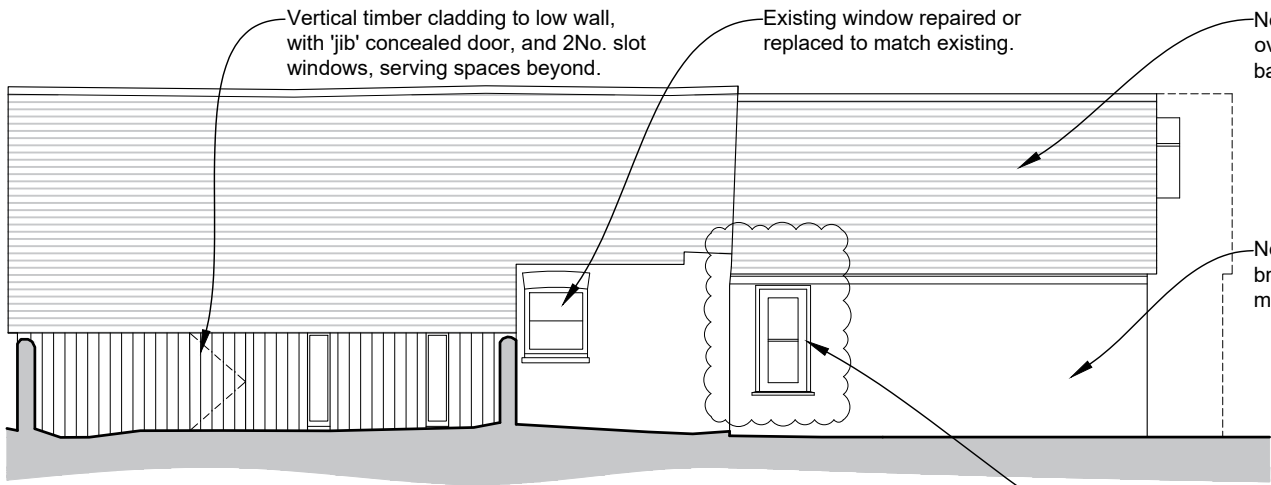

2 East Elevation
Proposed 1:100

2No. french door sets, with timber framed and transomed leafs, hung on parliament hinges to allow them to open against the adjacent rebuilt masonry.

1No. french door set omitted, to reduce symmetry of elevation.

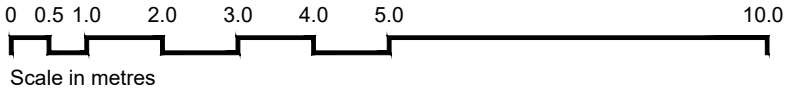

3 South Elevation
Proposed 1:100

4 West Elevation
Proposed 1:100

Western window reduced in width.
