Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

Further to my response dated 9th June, I note the document I referenced, 'SK21906-50 REV A' was included in error and there are in fact no planned improvements to Public Rights of Way. I therefore have no objection.
