Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	I object to this planning development due to the loss of valuable green field that helps with mitigating the flooding that this area of the village suffers from. Together with this, the road remains running from the crossroads up towards muntham would not be suitable for increased traffic due to being almost one track and if access were to be on to chapel road this would cause problems for the current parking for the shop and pub.

Kind regards
