Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	As with all proposals by HDC for the 3 sites in Barns Green none of them were recommended by the local neighbourhood plan. All sites are in contradiction to the community's wants and there is not the infrastructure for a small village - the roads, buses and

most importantly the under capacity of the sewage network. This would also ruin the village character and the impact to the community would wreck it forever. There are many reasons but these are the main ones. I strongly oppose this planning application.

Kind regards
