I am complaining about the following:

This planning application has a confirmed discontinuance order , however work is being carried out removing trees and shrubs which are within a protected tree root area (T06 Mature Oak)

Since the removal of other trees and shrubs I am now experiencing a high degree of light pollution from SMG garrage opposite my property Oaklands, Henfield Road RH138DT

It appears the intention is to burn the removed trees and shrubs on a bonfire which is very close to neighbouring woodland containing [REDACTED] and abutting Eastlands Lane.

Kind regards
