Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The amended map indicates (in red) a new access road across the top of the hill which is going nowhere. Is there to be a new road built or is this just a ruse where the existing access via Church Farm Walk / Church Lane is still to be used? If yes, my existing objection still applies.

Kind regards
