Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	The deeds of the agricultural plots on this and surrounding sites do not permit this proposed development. The access to this agricultural plot is via Bramble Lane which is a private largely unmade up single track shingle lane unsuitable for the additional vehicular access that adding dwellings would incur both in the works required to prepare the plot and install them and for their ongoing occupancy. Additionally towards the end of Bramble Lane

the access becomes a right of way across an arable field which is not appropriate for any access other than pedestrian.
The site is also outside of the built up area of the village.
Given all of the above the application should be rejected.

Kind regards
