Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We cannot keep taking up green space in the Horsham area! Housing is being built in a huge number of places in the district. Our infrastructure cannot support it! What about a hospital, doctors' surgeries, dentists, schools, policing, outpatient appointments, potholes, illegal rubbish tipping, shop lifting, theft

and so it goes on. What is happening to Horsham! It is not sustainable and everything is suffering including the current residents. Please consider the implications of yet more housing until other matters are addressed first.

Kind regards
